Hi Amy, I agreed with this shift because we were told that we had to move very fast on this. With help from Peg and Tami we sent out the travel form and instructions and have begun to receive the needed information.

Hi Amy -

I will process the travel for all of these folks. I spoke with Jean A. yesterday and she needs their ID info ASAP so she can forward to Cincinnati and get them into the GovTrip system. Since you're out of town, I am happy to proceed with the process.

Hey Rick!

I am in DC and won't be able to deal in-depth with this until then. We will need several pieces of info from them. We would then put them in Govtrip as an invitational traveler. I need to know if you want to disseminate all the info needed and logistics or do you want to give me contact info for all? I also will need to know exactly what we are paying, transportation to/from airport, airfare, hotel, public transportation to hotel/meeting, any extras?

Thank you!!

Hi Amy,

Kate told me to work with you to arrange this invitational travel. Here are some details to get started but I am sure you will need a lot more detail. We have not informed the tribes yet that we will be able to fund their travel.

Purpose: Attend EPA's Bristol Bay Watershed Assessment Inter-agency Technical Team Meeting
Dates: August 9 and 10, 2011. (Tribal Reps may have to spend 3 nights in Anchorage)
Destination: Anchorage, Alaska
Travelers: Six Tribal reps from villages.
Lodging: We want them to stay at the Inlet Tower Hotel
Question: Can we just fund their rooms and flights? no per diem?

I plan to send them a message tomorrow to begin collecting the necessary information. I will call you first early tomorrow.

Thanks Amy

Rick,

Thanks. I still think we can cover \$6.6k in travel with Regional funds. I will be in the office today but out the rest of the week on leave. Unless I hear differently from you by COB, I will tell Tim Fontaine that we do not need the funds before I go on annual leave.

Russ,

I have spoken with 3 of the 8 Tribal representatives and am waiting for return calls from the others. I did not bring up the subject of funding their travel to the Bristol Bay Intergovernmental Technical Team Meeting but two of them requested it. I am sure the other more remote villages will do so as well. So I would like to find the \$6600 that we estimated would be necessary. Even some portion of that would provide them with needed assistance. As you know HQ has pledged \$3300.00

Subject: Travel for Tribes to the Bristol Bay Intergovernmental Technical Team Meeting

The Intergovernmental Technical Team meeting will be in Anchorage August 9 and 10, 2011. Eight Tribal representatives are invited. Months ago we were asked by Jeff Parker who represents 6 tribes, if we would fund tribal travel, we didn't respond.

In A Bristol Bay update meeting with Dennis, Sussman and Stoner I mentioned we might receive definite requests for travel money and I did not think we had the money. We estimated that \$6600.00 is needed. I had other concerns about funding this group and was trying to give a heads up that we would decline to fund them.

Nancy felt that we should fund the travel if requested and set in motion the OW Budget Officer who has offered to send \$3300.00. Russ has suggested, and I agree that we not accept the HQ money. Russ thinks that we could cover this travel with money in the Region. I will be calling the 8 Tribal reps about the meeting today and will have a better idea about money needs after I talk to all of them but that might take a few days.

Russ is going to ask OW to wait a few days but I wanted to make sure everyone agrees that we will try to fund this if necessary with Regional money.
